_____	_____	_____
_____	_____	_____

Please list all of your coaching experience, including the type of sport, age level, dates and city or town where you coached

Please list any coaching certifications you have received and any training courses you have attended. Please include dates.

Manager/Coach Selection Policy: In addition to teaching baseball and administering a team, managers and coaches are charged with developing self-discipline and good sportsmanship, and serving as role models for players and parents, as summarized in the "ANSLL Obligations and Code of Conduct." The board evaluates candidates based upon these standards, as well as following safety regulations, participation in league activities, and meeting administrative requirements, including the proper care and return of equipment and uniforms. Evidence of these attributes is collected from a variety of sources, including candidate interviews, manager selection committee, board of director and umpire experiences, and evaluations and comments received from parents. Because these are our ultimate criteria and Little League requires that managers be selected each year, managing a team one year is not a guarantee of being selected to manage that team in any other year.

I, _____, hereby apply to manage or coach in the Annandale North Springfield Little League. I have read the "ANSLL Obligations and Code of Conduct" and agree to abide by these standards and to observe all of ANSLL's rules, regulations, policies and procedures. I understand that these rules, regulations, policies and procedures may be modified during the course of the season and that it is my responsibility to remain informed. I also agree, that if selected, I will attend all mandatory Manager meetings, player tryouts (AA and above), training sessions and will complete the required Little League Volunteer Application. Furthermore, I understand that I may be suspended or removed from my coaching position for violations of, but not limited to, the League Rules and/or Codes of Conduct, policies and procedures as outlined above.
