

Tournament Commitment Form

Each year ANSLL forms several tournament teams that continue play beyond the regular season to compete at the District level and beyond. These include teams of players league age 9&10, 10&11, and Majors 11&12.

All Majors, AAA and AA Managers **MUST** turn in a completed hard copy **FOR EACH PLAYER** League age 9-12 to the ANSLL Tournament Director or his/her designee regardless of player availability. The Tournament Committee must ensure that each player has received this information and has the opportunity to be considered for selection. The number of tournament teams formed will be approved by the Board of Directors based on the number of potential players.

For 9/10 and 10/11 Tournaments, the week of June 15 is the estimated start date for practices with games beginning the last week of June.

For 11/12 Majors Tournaments, the week of June 15 is the estimated start date for practices with games beginning around July 1.

Each tournament is a double elimination format. District winners will advance to the State Championships. Once games commence, teams may be finished in 2 days or 2 weeks (or beyond) depending on their wins and losses.

While players and their parents should be willing to make a strong commitment to practices and games, we realize that 100% participation from all players is difficult to achieve. Participation may be a contributing factor to determine eligibility but parents **should not** keep their child from the selection process because they may not be available 100% of the time between June 15 and July 15.

The Tournament Committee will develop the **list of eligible players**, subject to the Board of Director's approval, based on information submitted by parents on the Tournament Commitment Form. The managers select the most talented players from the **list of eligible players**. If at any time it comes to the attention of the Board that a player is missing more practices/games than was indicated on their Player Commitment form, the Board has the right to dismiss that child from the team.

Parents must assist when ANSLL hosts tournament games. All home tournament games are played at Pine Ridge Field. Tournament game tasks include field preparation, score keeping, announcers, after-game field maintenance and concessions (purchasing supplies and selling during the game).
