State of the League

- League finances are sound, but the cost of field maintenance may warrant an increase in fees.
- Spring and Fall registration numbers overall consistent.
- Player development opportunities received positive reception.
- We remain appreciative of the Washington Nationals Team Up program, which provides great benefits to the league and saves over \$20,000 each year in uniform costs. Summary of Fall and Spring Seasons.
- Synopsis of Facility updates.
- Migration to another new website platform (SportsConnect) underway with the Fall 2024 season.

Financial Report

- Summary accounts carrying over to the new fiscal year discussed.

Review of League Constitution: No changes were proposed to the ANSLL Constitution. Motion to continue the Constitution as written was approved by all members.

Board of Director Candidates: ANSLL anticipated splitting the Volunteer and Special Events position into two separate positions, thereby having a slate of 18 candidates.

Election of New Board: Dennis Wright motioned to elect an 18-member board, John Cho seconded, and members present voted to elect an 18-member Board.

Election of Board of Directors for 2024-2025: Rich Egan motioned to conduct a voice vote to elect all names presented on the ballot. John Cho seconded.
